

Northwest Athletics Event guidelines for Winter Sports 2020-21

Northwest Athletics has established the following guidelines and recommendations in response to the COVID-19 pandemic that athletes and spectators will use for the 2020-21 Winter Sports season.

- Masks are required for all athletes while they are not actively involved in a strenuous physical activity.
- Spectators should wear masks when entering the stadium, gymnasium, or softball field spectator area.
- Spectators are asked to sit in family/household clusters and keep 6 feet distance from any other groups
- Spectators should not attend events if they have any of the following
 - New or worsening cough
 - New or worsening sore throat
 - New or worsening loss of taste and or smell
 - Shortness of breath/trouble breathing
 - Vomiting or diarrhea
 - Fever greater than 100.4 degrees

Guidelines

Girls & Boys Basketball and Girls & Boys Wrestling

- Immediate family members will be the only spectators allowed to attend home contests. Spectators at away contests could be limited to 2 people per player or depending on the school no spectators at all.
- Spectators must space out 6 feet apart and families/household must sit together
- Spectators must wear masks the entire time in the gym
- Admission will be charged \$5.00 per adult exact change must be given
- NO student sections allowed at games

At any time these recommendations may change as needed in response to the COVID-19 pandemic. Northwest Athletics asks that you respect these guidelines which we feel will provide the safest environment for our student-athletes. Our goal is to protect the structure of our season and allow our athletes the best opportunity to play.
